Non-Communications Electronic Warfare

ZEIT8229

6 Units of Credit

This course introduces the field of non-communications electronic warfare including Radar Electronic Support and Jamming, Infrared Countermeasures, and Missile and Laser Warning. It addresses the fundamentals of each area, and provides an understanding of the support, platform and operational issues affecting Electronic Warfare systems. Students should have, or be willing to gain an appreciation of radar.

International Students  $4740

DISCLAIMER
Please note that the University reserves the right to vary student fees in line with relevant legislation. This fee information is provided as a guide and more specific information about fees, including fee policy, can be found on the fee website.

For advice about fees for courses with a fee displayed as "Not Applicable", including some Work Experience and UNSW Canberra at ADFA courses, please contact the relevant Faculty. Fees for courses delivered through UNSW Global are published and charged by UNSW Global and thus appear as "Not Applicable" on this site.

Where a Commonwealth Supported Students fee is displayed, it does not guarantee such places are available.
