Course

Research Project (24 Units of Credit)

BABS5049  24 Units of Credit

Overview

This is one of the courses used to comprise the 36 UOC research project under the supervision of an academic in the School of Biotechnology and Biomolecular Science to fulfil the requirements of a Biotechnology and Biomolecular Science stream in the Graduate Diploma (Research) program.

All students have a supervisor and are assigned an examiner by the Postgraduate Coordinator in BABS. In their first 6 weeks students will submit a literature review to their supervisor for feedback on their writing and critique of the available literature. Students are then expected to submit a written thesis and present a seminar at the completion of their project. The thesis will contribute 95% and the seminar will contribute 5%.

This course is only available to students enrolled into the Biotechnology and Biomolecular Science stream of the Graduate Diploma (Research) in the Faculty of Science.
