Overview

This course allows you to explore the design process as a collaborative, interdisciplinary and critical studio activity. It challenges your notions of design, encourages experimentation, and allows the development of a model of studio practice that is interdisciplinary and critical. This course provides opportunities for the development of a critical language and practice that will support studio specialisations. A variety of disciplines, processes and media will be used.

DISCLAIMER
Please note that the University reserves the right to vary student fees in line with relevant legislation. This fee information is provided as a guide and more specific information about fees, including fee policy, can be found on the fee website.

For advice about fees for courses with a fee displayed as "Not Applicable", including some Work Experience and UNSW Canberra at ADFA courses, please contact the relevant Faculty. Fees for courses delivered through UNSW Global are published and charged by UNSW Global and thus appear as "Not Applicable" on this site.

Where a Commonwealth Supported Students fee is displayed, it does not guarantee such places are available.
