Overview

This course allows students who have

a) previously completed at least 12 days of approved professional education short courses in topics relevant to the degree program, or

b) who have engaged in professional education research activities in topics relevant to the degree program and of a standard and extent approved by the Program Authority, or

c) who have developed significant relevant knowledge in topics relevant to the degree program, and of a standard approved by the Program Authority, through a mix of professional experience and professional education,

to gain recognition for that learning. They must prepare an essay in approved form demonstrating their understanding of those issues and the relationship of that learning to the program's objectives, as well as a portfolio summarizing the relevant professional learning in a), b) or c) above.

The course is only available to students in selected Masters programs and, unless specified as a core or elective course within a program, will be counted as one of the two out of program electives allowed in the program.
