Overview

This core course of the Master of Philosophy in Arts and Social Sciences provides you with the opportunity to work closely with academic leaders in your field of specialization within the Humanities and Social Sciences to gain in-depth knowledge of current developments, problems and debates. The specialisation enables you to hone your discipline-specific research skills, gain experience with relevant research methods and deepen your understanding of the field in its historical and intellectual context, its theories and approaches, as well as its cutting-edge debates in the literature. Ultimately it also assists you with writing your research proposal.
