Program

Aviation

2905  |  96 Units of Credit

Overview

Generally a MSc will take two years full-time or four years on a part-time basis. The equivalent level of research need is approximately equal to one major or two minor research papers published in international journals. It is expected that, as well as completing a thesis, manuscripts will be submitted to international refereed journals for dissemination world-wide.

See UNSW Higher Degree Research Learning Outcomes.
