Overview

The course develops skills in effective digital communication and explores the potential of multimedia as a design presentation tool. Through the use of software for digital media creation, manipulation and multimedia authoring, students create a short, interactive web animation and a comprehensive multimedia presentation. The presentation represents the culmination of skills and knowledge through the course. It integrates a variety of digital media and employs creative ideas and techniques to effectively communicate a chosen topic.

International Students        $5130

DISCLAIMER
Please note that the University reserves the right to vary student fees in line with relevant legislation. This fee information is provided as a guide and more specific information about fees, including fee policy, can be found on the fee website.

For advice about fees for courses with a fee displayed as "Not Applicable", including some Work Experience and UNSW Canberra at ADFA courses, please contact the relevant Faculty. Fees for courses delivered through UNSW Global are published and charged by UNSW Global and thus appear as "Not Applicable" on this site.

Where a Commonwealth Supported Students fee is displayed, it does not guarantee such places are available.
