Social Science Skills 2

Overview

Social Science Skills 2 focuses on further developing the academic skills learned in semester one. The emphasis in this course will be on undertaking individual and collaborative research projects. It will be taught in an interactive method, so that students learn through active and ongoing participation. The course contains a number of written and spoken assessments which focus students towards completing the final research report. The topic for the course will be explained in Week 1.

DISCLAIMER
Please note that the University reserves the right to vary student fees in line with relevant legislation. This fee information is provided as a guide and more specific information about fees, including fee policy, can be found on the fee website.

For advice about fees for courses with a fee displayed as "Not Applicable", including some Work Experience and UNSW Canberra at ADFA courses, please contact the relevant Faculty. Fees for courses delivered through UNSW Global are published and charged by UNSW Global and thus appear as "Not Applicable" on this site.

Where a Commonwealth Supported Students fee is displayed, it does not guarantee such places are available.
