Science Work Placement

Overview

This course has been developed for students who find a work placement/internship (unpaid or paid) and would like to receive academic credit for the placement.

This course will enable students to explore and gain a practical understanding of the requirements and expectations of the professional workplace through experiential learning. Students will develop their knowledge, capabilities and employability skills. Internships/work placements enable students to gain practical, supervised experience in the work place.

The course is available to domestic and international students. If a domestic or international student wishes to undertake an overseas work placement, extra conditions will apply before the placement is approved.

Permission to enrol in SCIF2199 will only be granted if the work internship/work placement is compatible to the student's major. Students who wish to enrol must have successfully completed a minimum of 48 UoC and have a WAM of >65 with no more than 1 fail.

Placements are to be a minimum of 3 weeks full-time (105 hours or more). This may be done intensively in the semester break or spread out over the semester as approximately 10 hours per week.

The course will count as a Science elective and is non-graded - this course is satisfactory/unsatisfactory completion.

Note: To enrol in SCIF2199 please contact the [http://www.science.unsw.edu.au/current-students/science-student-centre | Science Student Centre].

DISCLAIMER
Please note that the University reserves the right to vary student fees in line with relevant legislation. This fee information is provided as a guide and more specific information about fees, including fee policy, can be found on the fee website.

For advice about fees for courses with a fee displayed as "Not Applicable", including some Work Experience and UNSW Canberra at ADFA courses, please contact the relevant Faculty. Fees for courses delivered through UNSW Global are published and charged by UNSW Global and thus appear as "Not Applicable" on this site.

Where a Commonwealth Supported Students fee is displayed, it does not guarantee such places are available.
