Overview

Following the first three Software Engineering Workshop courses (SENG1031, SENG2011 and SENG2021) this course involves teams (or groups) in the design, implementation and testing of a system, or subsystem, that satisfies a given set of requirements. As for all courses in this series the design, implementation and testing will be required to be documented, and possibly demonstrated.
**Faculty**
Faculty of Engineering

**School**
School of Computer Science and Engineering

**Study Level**
Undergraduate

**Offering Terms**
Term 1

**Campus**
Kensington

**Delivery Mode**
Fully on-site

**Indicative contact hours**
2

**Timetable**
Visit timetable website for details
Conditions for Enrolment

Prerequisite: SENG2021
Exclusion Courses

SENG3010   |   3 UOC
Software Engineering Workshop 3A
Course Outline

SENG3011 Course Outline
Fees

Commonwealth Supported Students  $1191
Domestic Students  $5970
International Students  $5970

DISCLAIMER
Please note that the University reserves the right to vary student fees in line with relevant legislation. This fee information is provided as a guide and more specific information about fees, including fee policy, can be found on the fee website.

For advice about fees for courses with a fee displayed as "Not Applicable", including some Work Experience and UNSW Canberra at ADFA courses, please contact the relevant Faculty.

Where a Commonwealth Supported Students fee is displayed, it does not guarantee such places are available.
