Overview

The Actuarial Studies program serves as a foundation for students who wish to enter the actuarial profession. Students must achieve the required academic standard in their Actuarial Studies courses to gain exemption from the Foundation Program of the Actuaries Institute professional examinations, the Core Principles courses of the Institute and Faculty of Actuaries (UK) professional examinations, and the Validation by Educational Experience (VEE) credit for the Society of Actuaries (USA) and Casualty Actuarial Society (USA). Students (esp. Actuarial Studies (Co-op) students and dual degree students) may also be eligible to gain exemption from the university accreditation components of the Associate Program of the Actuaries Institute professional examinations.

Learning Outcomes

1. Business knowledge: Students will make informed and effective selection and application of knowledge in a discipline or profession, in the contexts of local and global business.

2. Problem solving: Students will define and address business problems, and propose effective evidence-based solutions, through the application of rigorous analysis and critical thinking.

3. Business communication: Students will harness, manage and communicate business information effectively using multiple forms of communication across different channels.

4. Teamwork: Students will interact and collaborate effectively with others to achieve a common business purpose or fulfil a common business project, and reflect critically on the process and the outcomes.

5. Responsible business practice: Students will develop and be committed to responsible business thinking and approaches, which are underpinned by ethical professional practice and sustainability considerations.

6. Global and cultural competence: Students will be aware of business systems in the wider world and actively committed to recognise and respect the cultural norms, beliefs and values of others, and will apply this knowledge to interact, communicate and work effectively in diverse environments.

7. Leadership development: Students will develop the capacity to take initiative, encourage forward thinking and bring about innovation, while effectively influencing others to achieve desired results.

Graduate Capabilities:

For more information on Graduate Capabilities, please click on this link.
Program Structure

Students must complete 144 UOC as a standalone program.

These UOC are made up of:

1. Level 1 Actuarial Studies Core Courses (54 UOC)
2. Level 2 Actuarial Studies Core Courses (18 UOC) (Please note: ACTL2131 may be substituted by MATH2901 and MATH2931, please see below)
3. Level 3 Actuarial Studies Electives (18 UOC)
4. Business School Elective (6 UOC)
5. Free electives (36 UOC)
6. General Education (12 UOC)

For single and related double degrees please see Progression Plan

Level 1 Core Courses

Students must take 54 UOC of the following courses.

ACCT1501 | 6 UOC
Accounting and Financial Management 1A

ACCT1511 | 6 UOC
Accounting and Financial Management 1B

ACTL1101 | 6 UOC
Introduction to Actuarial Studies

ECON1101 | 6 UOC
Microeconomics 1

ECON1102 | 6 UOC
Macroeconomics 1

FINS1613 | 6 UOC
Business Finance
MATH1151 | 6 UOC
Mathematics for Actuarial Studies and Finance 1A

MATH1251 | 6 UOC
Mathematics for Actuarial Studies and Finance 1B

MGMT1001 | 6 UOC
Managing Organisations and People

Level 2 Core Courses

Students must take 18 UOC of the following courses.

Students may replace ACTL2131 with the two courses MATH2901 Higher Theory of Statistics and MATH2931 Higher Linear Models. If students make this replacement, MATH2901 will count towards ACTL2131, and MATH2931 will be counted towards a major where this course is required or as a Business elective.

ACTL2102 | 6 UOC
Foundations of Actuarial Models

ACTL2111 | 6 UOC
Financial Mathematics for Actuaries

ACTL2131 | 6 UOC
Probability and Mathematical Statistics

Optional Second Business Major or Minor

Completion of a second major/minor is optional. Students may choose a maximum of one major/minor listed below.

Please note: A major in the School of Mathematics and Statistics comprises at least 60 UOC. Students completing a Major in the School of Mathematics and Statistics may treat MATH 1151 as equivalent to MATH1141, and MATH1251 as equivalent to MATH1241 for the purposes of completing major requirements.

Level 3 Actuarial Electives

Students must complete 18 UOC of the following courses.

ACTL3141  |  6 UOC
Actuarial Models and Statistics

ACTL3142  |  6 UOC
Actuarial Data and Analysis

ACTL3151  |  6 UOC
Life Contingencies

ACTL3162  |  6 UOC
General Insurance Techniques

ACTL3182  |  6 UOC
Asset-Liability and Derivative Models

ACTL3191  |  6 UOC
Superannuation and Retirement Benefits

ACTL3192  |  6 UOC
Retirement Saving and Spending Over the Lifecycle

Business Elective

Students must complete 6 UOC of Business electives to meet the minimum Business School course requirement to satisfy the depth component of the degree.

any course offered by UNSW Business School

Free Electives
Student must complete 36 UOC of Free electives. These courses can be offered by the Business Faculty or outside of Business but cannot be GEN coded.

Any course

**Alternative Actuarial Studies Majors**

Students may elect to complete either of the following majors as alternatives to the default Actuarial Studies major.

Students completing these alternative Actuarial Studies majors will still need to complete the program requirements such as Level 1 and 2 core course as well as Level 3 electives. Additionally, students cannot declare an additional Business major/minor as well.

These majors will require UOC to be taken from Free elective and/or General Education courses. Please see the Progression Plans and consult the Business School Student Centre if you are interested in completing either of these majors.

**MAJOR:**

**ACTLE1 | 48 UOC**
Actuarial Risk Management and Analytics

**MATHE1 | 66 UOC**
Quantitative Data Science

**General Education**

Students must complete 12 UOC of General Education courses.

Please note: Students enrolled in programs within the UNSW Business School cannot take General Education courses offered by the UNSW Business School (i.e. GENC code). These restrictions also apply to the following courses:

GENL2021 An Introduction to the Australian Legal System
GENL2032 Cyberspace Law 2.0

Any General Education course

**Minimum Faculty UOC**

Students must complete a minimum of 96 UOC of UNSW Business School courses.
any course offered by UNSW Business School

**Maximum Level 1 UOC**

No more than 60 UOC in Level 1 courses (not including 12 UOC of General Education courses) will be counted towards the degree.

any level 1 course

**Level 2 and 3 Maturity Requirements**

Students must have completed 24 UOC before taking any Level 2 courses. Students must have completed 48 UOC before taking any Level 3 courses.

---

**Enrolment Disclaimer**

Unless advised otherwise by your program authority, you should follow the rules for the handbook for the year you commenced your program. You are also responsible for ensuring you enrol in courses according to your program requirements. myUNSW enrolment checks that you have met enrolment requirements such as pre-requisites for individual courses but not that a course will count towards your program requirements.

Program Requirements

Progression Requirements

Progression rules are in accordance with university policy.

For more information on university policy on progression requirements please visit Academic Progression.
Professional Outcomes

Professional Recognition
Graduates are eligible to apply for membership of various professional organisations according to the area of specialisation completed. For further information on professional recognition please contact UNSW Business School.

The Actuarial Studies program serves as a foundation for students who wish to enter the actuarial profession. Students must achieve the required academic standard in their Actuarial Studies courses to gain exemption from Foundation Program courses of the Actuaries Institute in Australia or the VEE credit for the Society of Actuaries (USA). Students also have the opportunity to gain exemption from two university accreditation components for the Associateship Program of the Actuaries Institute.

Career Opportunities

Actuarial analyst, asset management trainee, business consultant, credit analyst, insurance analyst, risk assessment officer, superannuation adviser, wealth management analyst.
Recognition of Achievement

University Medal

The University Medal is awarded to recognise outstanding academic performance by a bachelor degree student in line with the University Medal Policy and University Medal Procedure.

Award of Pass with Distinction

The Award of Pass with Distinction is awarded when a weighted average mark (WAM) of at least 75% has been achieved and at least 50% of the requirements of the award completed at UNSW. All eligible programs will award Pass with Distinction except in special circumstances where approval of Academic Board has been given for a program to opt out.

For more information, please visit:

Current Students Pass With Distinction
Additional Information

Please note that these requirements may be subject to change. Students should always follow the program requirements according to the year they started their degree. For more information please visit Previous UNSW Online Handbooks.
