

Course

Strategy, Policy and Change

PHCM9391

6 Units of Credit

Overview

This course is offered in two modes: either face to face (on-campus) and fully online.

This course is designed to help students develop their knowledge, skills and perspectives on strategic management and planning, and to apply strategies, techniques and tools to enhance their leading change in the health sector. It aims to present material, engage participants in a dialogue, provide insights and feedback and enable participants to reach conclusions about how they might improve their capacity to lead change through policy-making and strategic planning.
