Overview

MBAX is AGSM's next generation online MBA. This is a unique online management degree that enables you to specialise. The innovative online format allows you to gain an MBA from a leading business school with a flexibility that fits in with your lifestyle. You'll be able to apply the concepts and tools to your professional life immediately, while preparing for great things in the future; accelerating your current career, following a new path or building a new enterprise.

The MBAX is designed to be undertaken part-time in combination with full-time employment and in online mode. Classes are in small groups of approximately 30 participants with a dedicated facilitator. Classes are accessed via secure online login and the participation model is asynchronous, meaning increased flexibility in how you balance your studies with other commitments.
